ENGINE

3800 SERIES II V-6

3.8L 3800 Series II V-6

Type	Overhead-valve 90° V-6
Bore and stroke (in./mm)	3.80 x 3.40/96.52 x 86.36
Piston displacement (cu. in./cc)	231/3791
Cylinder head and block material	Cast iron
Compression ratio	9.4:1
Net horsepower @ rpm	205@5200
Torque (lb-ft @ rpm)	230@4000
Recommended fuel	Unleaded regular
Fuel management	Sequential port fuel injection
EPA fuel economy rating, city/hwy	19/30
Spark plugs	100,000-mile self-cleaning, silicon-coated, platinum-tipped

CHASSIS

Chassis/body – Integral construction with isolated engine cradle
Passengers f/r – 3/3 (2/3 optional)
Steering
Type – Power rack-and-pinion
Overall ratio – 17:1
Number of wheel turns – 2.97
Turning diameter – curb to curb (ft.) – 39.5

Suspension

Front – MacPherson strut
Stabilizer (mm) – 28 tube
Rear – Semi-trailing arm with coil spring and electronic level control
Stabilizer (mm) – 18 tube

Brakes

Four-wheel disc with power assist, anti-locking system, vented front, solid rear
Outer rotor diameter (in., f/r) – 11.9/10.9
Rotor thickness (in., f/r) – 1.26/.043

Transaxle

Electronically controlled, 4-speed automatic with overdrive
Gear ratio: First – 2.92
Second – 1.57
Third – 1.00
Fourth – 0.75
Reverse – 2.38
Final drive ratio – 2.86
3.05 (Gran Touring)

TIRES

Standard	P215/70R15 steel-belted, radial-ply, all-season blackwalls
Optional, Gran Touring Package	P225/60R16 steel-belted, radial-ply, all-season touring blackwalls

WHEELS

<i>Diameter x Flange (in.); Offset (mm)</i>	
Standard – Custom	Stamped steel 15 x 6; 52
Standard – Limited, optional – Custom	Aluminum 15 x 6; 51
Optional – Custom/Limited	Multi-spoke aluminum 16 x 6.5; 49
	Cross-lace aluminum 16 x 6.5; 49
Optional – Gran Touring	Aluminum 16 x 6.5; 52

DIMENSIONS

<i>(inches unless noted)</i>	
Exterior	Length – 200.0
	Width – 73.5
	Height – 57.0
	Wheelbase – 112.2
	Front/rear track – 62.3/62.3
	Ground clearance – 5.4
Interior	Head room (f/r) – 38.8/37.8
	Leg room (f/r) – 42.4/39.9
	Shoulder room (f/r) – 59.1/58.7
	Hip room (f/r) – 56.1/56.6
	Curb weight – Custom 3,567 lbs. Limited 3,591 lbs.
Capacities	Passenger volume – 107.6 cu. ft.
	Luggage – 18 cu. ft.
	Interior volume index – 125.6 cu. ft.
	Trailer towing – 1,000 lbs.
	Fuel tank capacity – 18.5 gals./70 liters
	Oil capacity – 4 qts. (5 w/filter) Coolant capacity – 10 qts./9.5 liters

MODEL AVAILABILITY

LeSabre Custom

LeSabre Limited

STANDARD FEATURES

Air bags – Driver and passenger, front and side

Air conditioning

Auxiliary power outlet

Carpet savers – Front and rear

Child seat tether anchor system
